No. 41 - 79

TITLE/SIGNIFICANCE:

Ponton Bridge Divisions Identified in Peoples Republic of China.

COMMENT: Ponton bridge regimental barracks areas will contain covered vehicle storage for around 100 vehicles and a fairly small barracks/support area. They will not contain a multi-story admin building or auditorium. The regiments appear to be organized as depicted in the current DIA PRC Ground Forces TOE. Ponton bridge divisions will have three to four regimental areas within a 10 NM radius and a divisional HQ area consisting of a multi-story admin building, an auditorium, and a barracks/support area.
